

230-X-1-.07

Owner/Builder.

A person, firm or corporation which undertakes to construct a building or other improvements on his/her own real property is not required to be licensed as a general contractor if the person, firm or corporation's own forces (non-contractual) are used. An owner/builder may only let and/or award contracts for work in the amount of \$50,000.00 (\$5,000.00 for swimming pools) or greater to a properly licensed prime contractor
